

“I never really thought that I would ever be in ministry. But God used my summer at CYIA to show me *HIS* plan for me. I would wish that ANY teen would get to have the amazing experience I had learning *real* skills and gaining the tools to better serve, grow, and lead for Christ!”

— a former CYIA student

“CYIA was among the most powerful and effective spiritual maturing tools that God has ever used in the lives of my children.”

— a mother of two CYIA students

“We had a real need for Sunday school teachers and mid-week teachers. Because of getting our teenagers involved in CYIA and giving them opportunities to serve, they have a holy boldness to impact not only their peers, but also the next generation. Our church grew from 6 to 200 teenagers involved in our programs.”

— a local senior pastor

## GOD CAN CHANGE THE WORLD THROUGH YOU ONE CHILD AT A TIME!

Have you ever wanted to go on a **missions** trip, but cost, language barriers, timing, or distance made it impossible?

Are you a Christian who wants to **serve God**, but you're not sure exactly **how** to do that?

Could you use a few more Godly Christian friends who **truly** care about you spiritually and want what's **really** best for you?

Do you want to make a **difference** in this world for Christ?

Now's the time to prayerfully consider  
**Christian Youth In Action®!**

### What's *Christian Youth In Action*?

In **CYIA™**, young people are trained to effectively share the Gospel message with children through Bible lessons, songs, memory verses, and more. Then they serve in various local summer ministries with the **5-Day Club®** program as the main focus.

Students who enroll will attend an eight day, in-depth training with other students from **Oklahoma**. This is a great opportunity for any young person interested in missions or ministry.

### Who participates in **CYIA**?

Christians 13 years of age and up may apply for **CYIA** training and serve as **Summer Missionaries** and earn **CYIA** certification.

### How long is **CYIA**?

The training takes place June 9-16 at Oklahoma Baptist University and each **CYIAer** commits to a minimum of 2 additional **5-Day Clubs** during the summer. Click the **CYIA** button on <https://cefokcentral.org/> to access the application.

### Does **CYIA** cost anything?

The cost this year is \$400. Each **CYIA** applicant should think and act as missionaries by offering their church and family the opportunity to participate in their ministry by helping to fund training & material costs. (**CEF®** staff assists throughout this process.)

### Will I serve by myself?

**CYIA** students come from all over **Oklahoma** for **CYIA** training and will serve in teams of 3-5 students plus an evaluator. After the training, you will serve on a team comprised of fellow **CYIA** certified young people from either the Central or Northeast **CEF** chapters, always with an adult present.

### What's a **5-Day Club**?

A 90-minute club for kids held during the summer months in backyards, community centers, and parks for 5 consecutive days in which the Gospel is presented clearly through Bible lessons, memory verses, a missionary story, games, songs, and more! **CYIA** students receive full training clubs with their team.
