

“CYIA was the most spiritually challenging and rewarding experience of my teen years. I learned that evangelism was not only a gift given to a select few, but a skill to be learned, taught, and practiced by every believer. CYIA helped me to develop this skill alongside people who became great friends!”

*-Abby G., CYIA Alumnus and Tulsa area pediatric nurse*

“CYIA gave my boys the confidence to speak in front of people and engage in one on one conversations. They learned how to clearly present the gospel and incorporate it into Bible lessons, songs, and verses. It will be something they will carry with them throughout their lives. I’m thankful for the investment the CYIA staff made into their lives.”

*-Joanie C., Mother of CYIA Missionaries*

“CYIA offers the best education a young Christian could hope to receive. It teaches Bible study techniques, gives practical teaching instruction, and instills a passion for evangelizing the lost.”

*-Josh M., CYIA Alumnus and Tulsa area youth pastor*

## GOD CAN CHANGE THE WORLD THROUGH YOU ONE CHILD AT A TIME!

Have you ever wanted to go on a **missions** trip, but cost, language barriers, timing, or distance made it impossible?

Are you a Christian who wants to **serve God**, but you're not sure exactly **how** to do that?

Could you use a few more Godly Christian friends who **truly** care about you spiritually and want what's **really** best for you?

Do you want to make a **difference** in this world for Christ?

**Now's the time to prayerfully consider  
Christian Youth In Action®!**

### What is *Christian Youth In Action*?

In **CYIA™**, young people are trained to effectively share the Gospel message with children through Bible lessons, songs, memory verses, and more. Then they serve in a summer **5-Day Club®** program.

Students who enroll will attend an eight day, in-depth training with other students from Oklahoma. This is a great opportunity for any young person interested in missions or ministry.

### Who participates in CYIA?

Christians 13 years of age and up may apply for CYIA training and serve as Summer Missionaries and earn CYIA certification.

### How long is CYIA?

The training takes place **June 14-21** at **Oklahoma Baptist University** and each CYIAer commits to a minimum of 2 additional **5-Day Clubs** during the summer.

### Does CYIA cost anything?

The cost is **\$485** and \$400 for each sibling. Each CYIA applicant should think and act as missionaries by offering their church and family the opportunity to participate in their ministry by helping to fund training & material costs. (CEF® staff assists throughout this process.)

### Will I serve by myself?

After the training, you will serve on a team with fellow CYIA certified young people and adult supervision from either the Central or Northeast CEF chapters.

### What's a 5-Day Club?

A 90-minute club for kids held during the summer in backyards, community centers, and parks for 5 consecutive days in which the Gospel is presented through Bible lessons, memory verses, a missionary story, games, songs, and more!
